

***Town of Bradford,***  
**NEW HAMPSHIRE**

**Master Plan 2006**

**Adopted April 22, 2006**

**Produced by the:**  
Bradford Planning Board  
PO Box 436  
Bradford, NH 03221

**With assistance from the:**

Central New Hampshire  
Regional Planning Commission  
28 Commercial Street  
Concord, NH 03301

phone (603) 226-6020  
web [www.cnhrpc.org](http://www.cnhrpc.org)

**ACKNOWLEDGEMENTS**

The Town is indebted to everyone who was able to find time out of their busy schedules to participate in the process to create this document, from creating the community survey, participating in subcommittees, and providing input and ideas for all the chapters, to filling out a Community Survey and attending the Visioning Session and Public Information Session.

The Planning Board is grateful for the assistance of the Bradford Historical Society and the Bradford Conservation Commission, and the members of those organizations. Additionally, the Planning Board thanks Perry Teale for his assistance in the current land use maps for this Plan.

Lastly, thank you to all of the residents who participated in the development of the 1996 Master Plan, which made the production of the 2005 Master Plan more straightforward.

Along with funds from Town of Bradford, many additional financial contributors made the development of several Chapters of this Master Plan possible:

Funding for the **REGIONAL CONCERNS CHAPTER** was provided by the Central NH Regional Planning Commission (CNHRPC).

Funding for the **TRANSPORTATION CHAPTER** was provided by the NH Department of Transportation through its annual agreement with the Central New Hampshire Regional Planning Commission (CNHRPC) to undertake local and regional planning transportation planning activities.

Funding the **POPULATION AND ECONOMICS CHAPTER** was provided by the NH Office of Energy and Planning (formerly the Office of State Planning) through its Targeted Block Grant agreement with the CNHRPC. Much of the statistical data in the Plan originated from NH OEP/NH OSP publications.

Funding for the **NATURAL FEATURES CHAPTER** was provided by the NH Department of Environmental Services through its Regional Environmental Planning Program (REPP) agreement with the CNHRPC
