To whom this may concern

I am writing this letter on behalf of Churchill Hezelton and his proposed junkyard on County Rd. I feel that he should be able to have it as long as he is following any rules that go along with having a junkyard, which I know he would. I have known Churchill my whole life. He is a good, hard working man just trying to make a little extra cash to make ends meet. I feel that not allowing him to have it would be discrimination against him where there are two others in town. One on Breezy hill Rd and the other on Fortune Rd, so I don't see the harm in him having one. He is a tax payer just like the rest of us and should have the right to do whatever he wants on his property just like everyone else does.

Thank you,
