Date Signature of Owner/Agent/Contractor

Permission is requested to construct a driveway entrance or access road to my property from which
_____ Road will meet the requirements for safety.

As the applicant, I hereby agree to the following, being either the property owner or having formal approval from the property owner in writing.

1. To construct driveway entrance or access road only for the purpose of securing access to private property such that the Highway right-of-way is used for no other purpose than travel.
2. To construct driveway entrance or access road at the permitted locations only as shown on the attached sketch as submitted by applicant. (see reverse side for details)
3. To hold harmless the Town of Bradford and its duly appointed agents and employees against any action for personal injury and/or property damage sustained by reason of exercise of this permit.
4. To furnish and install drainage structures that are necessary to maintain existing road drainage and adequately handle increased runoff resulting from development.

Property Sketch:

Please submit a legible sketch/architectural drawing of your project locating the measured distance from boundaries and setback from road. Well and septic should be noted if applicable and location to wetland and/or shoreland.

1. Show the property lines and roads
2. Show the proposed structure and existing structures
3. Show the measurements from the proposed structure to all lot lines, wetlands and/or shorelands.
4. Measure straight through existing structures if needed.
5. Include the dimensions of the proposed structure.
